

Guidelines for Combined Online Spot Round(s)

- 1) In the combined online spot round of offers, the candidate will be provided with two options of "**Accept and Freeze**" or "**Reject and Quit**".
- 2) Candidate should select the option "**Accept and Freeze**" if the candidate is willing to accept one of the offers. After clicking the 'Accept and Freeze' option, the candidate should press submit to confirm the submission of decision. Subsequently, the candidate should visit the respective Academic Institute's Admission Portal and follow the procedure as per the instructions on the respective website. The admission procedure should be completed within the due date. The candidate will not be considered in the subsequent spot round of offers (if any) by any of the COAP participating Institutes.
- 3) Candidate selects the option "**Reject and Quit**", if the candidate is not willing to accept any of the offers. Then all offers made during that round will be considered as Rejected. The candidate should press submit to confirm the submission of decision. The candidate will not be considered in the subsequent spot round of offers (if any).
- 4) If a candidate does not access COAP or does not make a decision during the combined online spot round of offers, then all offers made during that round, will be considered as Rejected by the candidate. The candidate will not be considered in the subsequent spot round of offers (if any).
